

Stratford Police Department News Release

For Immediate Release: Narcotics Arrest

The Stratford Police Narcotics Vice and Intelligence Unit were conducting an investigation regarding an ongoing drug sales complaint on Barnum Ave/Boston Ave/Broadbridge Ave.

During the investigation they identified two suspects: Joseph Gantt AKA Joe Millionaire or Millie and Jennifer Greenberg. (The two were suspects in a joint investigation with Milford PD regarding sales of heroin in Stratford and Milford January, 2013, which led to their arrests on February 6, 2013 in Milford.)

Investigators learned they began to sell heroin again in the aforementioned areas in Stratford while they were out on bond. During the investigation they learned they were using a Rental Car to sell heroin. It was determined that the car was overdue and the company requested to car to be considered stolen and individuals prosecuted. Gant and Greenberg were selling heroin close to day care centers in Town.

Investigators obtained arrest warrants for Gantt and Greenberg and both were taken into custody on 03/27/2013. The arrests were made while Gantt and Greenberg were making another drug sale, where 10 bags of heroin was seized. Both were charged with this additional violation.

Gantt and Greenberg were held on bonds of \$300,000 each.
