

Stratford Police Department News Release

For Immediate Release: NARCOTICS ARREST

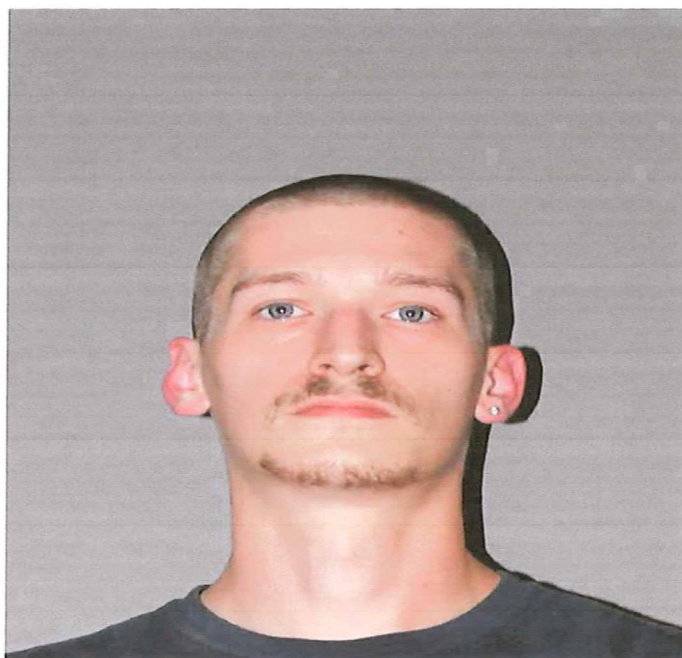

On 09-09-2013 investigators from the Stratford Police Narcotics, Vice and Intelligence Unit were checking into complaints received of narcotics activity in the area of Judson Place near Singer Court. During the investigation they observed a vehicle operated by Scott Milne in the area. Milne was not wearing a seat belt and he was subsequently stopped for the violation.

During the stop Officers observed a bottle containing several pills lying next to Milne in the car. The pills were determined to be Oxycodone. The pills were not in a proper medical prescription container and investigation revealed that Milne was in fact selling the pills illegally.

Milne was taken into custody and charged with Possession of Narcotics with Intent to Sell and Failure to Wear Seatbelt. Milne was released on a \$2500 dollar bond and is scheduled to appear in court on 10-24-2013.
