

# **Stratford Police Department News Release**

For Immediate Release: Road Closure-Road Race

The Stratford Police Department will be conducting a planned road closure in the Lordship area of Stratford on Saturday, November 2<sup>nd</sup> from 0800-1200. The closure will be for the first annual Victoria Soto Run. I have attached a copy of the road closure map. At this time there are approximately 2100 runners who have registered to participate in the run. This number will be exceeded with support personnel.

As always the Stratford Police appreciate any cooperation by residents and participants alike. We hope to make this a memorable and safe charity run.

If there are any questions please contact Lieutenant Curtis Eller of the Stratford Police Traffic Division
